INDEX TO VOLUME LXIV

Addison's disease, Treatment of, with pellets of crystalline adrenal cortical hormone (Synthetic desoxy-corticosterone acetate) implanted subcutaneously 339
Adrenal insufficiency, Treatment of, by means of subcutaneous implants of pellets of desoxy-corticosterone acetate (A synthetic adrenal cortical hormone) 155
Albumin, serum, Diet and, regeneration. Dietary protein and the regeneration of serum albumin. III. The potency values of egg white, beef liver and gelatin 425
Anaphylactic shock, Does ether narcosis protect from? 125
Anemia, Macrocytic, in association with intestinal strictures and anastomoses 215
Aylward, Francis X. (see Holt, L. Emmett, Jr.) 279

Barker, W. Halsey, and L. Edgar Hummel: Macrocytic Anemia in association with intestinal strictures and anastomoses 215
Blood of pigs, Changes in the, associated with deficiency of water-soluble vitamins and other substances contained in yeast 399
Book reviews 78, 149, 207, 273, 366, 447
Bridge, Edward M. and Eleanor A. Winter: Diabetes, insulin action, and the respiratory quotient 257

Catgut, Studies on hypersensitivity to, as a factor in wound disruption 195

Diabetes, insulin action, and the respiratory quotient 257

Eisenberg, Harry (see Thorn, George W.) 155
Emerson, Kendall Jr. (see Thorn, George W.) 339
Engel, Lewis L. (see Thorn, George W.) 155

Fibrillation, fasciculation and other muscular twitchings, The significance of, with special reference to recent physiological investigations 114
Firor, Warfield M. (see Thorn, George W.) 339
Ford, F. R., and E. L. Murphy: Increased intracranial pressure. A clinical analysis of the causes and characteristics of several types 369
Ford, Frank R.: The significance of fibrillation, fasciculation and other muscular twitchings with special reference to recent physiological investigations 114
France, Richard (see Thomas, Caroline Bedell) 67

Goettsch, E. (see Weech, A. A.) 425
Goodwin, T. Campbell (see Longmire, William P., Jr.) 22

Hamman, Louis: Spontaneous mediastinal emphysema 1
Holt, L. Emmett, Jr., Francis X. Aylward and Harry G. Timbres: Idiopathic Familial lipemia 279
Howard, R. Palmer (see Thorn, George W.) 339
Hummel, L. Edgar (see Barker, W. Halsey) 215

Intracranial pressure, Increased. A clinical analysis of the causes and characteristics of several types 369

Johns Hopkins Hospital, Announcement of the fiftieth anniversary celebration of the 213
Jonas, A. F. Jr.: Granulomatous myocarditis 45

Koontz, Amos R. and Richard T. Shackelford: Does ether narcosis protect from anaphylactic shock? 125

Lee, Ferdinand C.: A preliminary report on an operation for the cure of meralgia paraesthetica 147
Lipemia, Idiopathic familial 279
Lisco, H. (see Wintrobe, M. M.) 399
Longcope, Warfield T. (see Whitehill, M. Richard) 83
Longmire, William P. Jr. and T. Campbell Goodwin: Generalized torula infection. Case report and review with observations on pathogenesis 22
Lung, Graded pneumonectomy in the treatment of tumors of the 167
Lymphoblastoma, Follicular, and a related form of lymphosarcoma 315

Mayer, Sidney, Jr. and Henry M. Thomas Jr.: Follicular lymphoblastoma and a related form of lymphosarcoma 315
McKee, Clara M. (see Rich, Arnold R.) 434
Mediastinal emphysema, Spontaneous 1
Meralgia paraesthetica, A preliminary report on an operation for the cure of 147
Murphy, E. L. (see Ford, F. R.) 369
Myocarditis, Granulomatous 45

Nephritis, acute hemorrhagic, The occurrence and significance of myocardial failure in 83

Pickrell, Kenneth L.: Studies on hypersensitivity to catgut as a factor in wound disruption 195
Pneumococci, avirulent, The pathogenicity of, for animals deprived of leucocytes 434

Rich, Arnold R. and Clara M. McKee: The pathogenicity of avirulent pneumococci for animals deprived of leucocytes 434
Rienhoff, William Francis Jr.: Graded pneumonectomy in the treatment of tumors of the lung 167

Samter, M. (see Wintrobe, M. M.) 399
Shackelford, Richard T. (see Koontz, Amos R.) 125
Sulfanilamide, A preliminary report of the prophylactic use of, in patients susceptible to rheumatic fever 67

Thomas, Caroline Bedell and Richard France: A preliminary report of the prophylactic use of sulfanilamide in patients susceptible to rheumatic fever 67

Thomas, Henry M., Jr. (see Mayer, Sidney, Jr.) 315
Thorn, George W., Lewis L. Engel and Harry Eisenberg: Treatment of adrenal insufficiency by means of subcutaneous implants of pellets of desoxy-corticosterone acetate (A synthetic adrenal cortical hormone) 155
Thorn, George W., R. Palmer Howard, Kendall Emerson Jr. and Warfield M. Firor: Treatment of Addison's disease with pellets of crystalline adrenal cortical hormone (Synthetic desoxy-corticosterone acetate) implanted subcutaneously 339
Timbres, Harry G. (see Holt, L. Emmett, Jr.) 279
Torula infection, Generalized. Case report and review with observations on pathogenesis 22

Weech, A. A. and E. Goettsch: Diet and serum albumin regeneration. Dietary protein and the regeneration of serum albumin. III. The potency values of egg white, beef liver and gelatin 425
Whitehill, M. Richard, Warfield T. Longcope and Russell Williams: The occurrence and significance of myocardial failure in acute hemorrhagic nephritis 83
Williams, Russell (see Whitehill, M. Richard) 83
Winter, Eleanor A. (see Bridge, Edward M.) 257
Wintrobe, M. M., M. Samter and H. Lisco: Changes in the blood of pigs associated with deficiency of water-soluble vitamins and other substances contained in yeast 399
